SUBMISSION, SELECTION, AND AWARD

This award is presented throughout the year at an appropriate place and time by the Director of the Nebraska Department of Roads or his designee to external partners in the transportation industry. Partners may include state, federal, or local agencies, contractors, consultants, railroads, vendors, educational institutions, suppliers, etc.

At the discretion of the Director, an annual award may also be made.

Nominations are prepared by the Division Heads and District Engineers. The nomination will then be submitted to the Director in a timely manner. The Director and Deputies will evaluate the nominee based on the criteria set forth.

The recipient receives a certificate presented at a suitable venue at an appropriate time.

Please contact Diane Holthus with additional questions. 402 / 479-4580.
