

# District 3

## 2023 Construction Projects Update

### 2023 GOALS

#### Reduce time to submit finals to Lincoln by 15%.

- Stress importance of timely submittals to DCE, ADCE, and PM's.
- Track status through monthly reports and review with Finals Reviewer.

#### Continue Engagement Plan on In Winnebago Project.

- Contractor and PM to either hold weekly partnering meetings or distribute past work accomplishments and future plans to email group.
- Reach out to Village and Tribe at least quarterly.

#### Maximize winter operation efficiency through the use of MDSS.

- Train all winter operations staff on the use of the system and how to use the information.
- Monitor MDSS usage and compliance with recommendations after each major storm event.
- Track after storm data from each major storm event and look for areas of improvement.

#### Develop and refine our Strategic Training Plan.

- Enroll the correct personnel in the Supervisor Boot Camp.
- Support the Maintenance Training Program and monitor progress quarterly.
- Provide opportunities for necessary training. Provide at least four trainings within the district per year.

## 2023 PRIORITIES

- Facilitate and participate in meetings involving internal and external partners throughout the project.
- Use surveys to get feedback from customers for process improvement.
- Look for participation opportunities with local communities and neighboring states to share our plans, get ideas and constructive feedback.
- Participate in community college and high school job fairs and career days to talk about the highway construction industry and opportunities at NDOT.
- Participate in school-sponsored or community-sponsored programs for younger kids to learn about the work that NDOT does.

### INTERNAL/EXTERNAL COLLABORATION

**Communications** – Internal collaboration in holding public information meetings on projects and creating strategic communication handouts for engagement meetings.

**HR** – Internal collaboration with coordinating the proper training for winter operations.

**Liaison Services** – Internal collaboration with liaison services in updating superintendents
