

# District 4

## 2023 Construction Projects Update

### 2023 GOALS

- Continue strategies to maximize mobility for interstate highway users in District 4. This is going to be a challenge with the reconstruction west of Kearney coming up and the head-to-head traffic.
- Increase outreach to local agencies and governments on upcoming projects.

### PRIORITIES

- Facilitate and participate in meetings involving internal and external partners throughout larger capital improvement projects.
- Continue to develop a positive workplace environment for District 4 employees.
- Maintenance superintendents will develop and maintain a 2-year maintenance project plan for their area.
- District 4 Build Nebraska Projects:
  - US-281 West Grand Island
  - Hastings SE
  - US-81 York to Columbus.
- Future major projects:
  - In Grand Island
  - US-30 UNK in Kearney
  - US-34 In Aurora
